## **Breathe**

## **Taylor Swift**

I see your face in my mind as I drive away 'Cause none of us thought it was gonna end that way People are people and sometimes we change our minds But it's killing me to see you go after all this time

Music starts playin' like the end of a sad movie It's the kinda ending you don't really wanna see 'Cause it's tragedy and it'll only bring you down Now I don't know what to be without you around

And we know it's never simple, never easy Never a clean break, no one here to save me You're the only thing I know like the back of my hand

And I can't breathe Without you, but I have to Breathe Without you, but I have to

Never wanted this, never want to see you hurt Every little bump in the road I tried to swerve People are people and sometimes it doesn't work out Nothing we say is gonna save us from the fall out

And we know it's never simple, never easy Never a clean break, no one here to save me You're the only thing I know like the back of my hand

And I can't breathe Without you, but I have to Breathe Without you, but I have to

It's two a.m., feelin' like I just lost a friend Hope you know it's not easy, easy for me It's two a.m., feelin' like I just lost a friend Hope you know this ain't easy, easy for me

And we know it's never simple, never easy Never a clean break, no one here to save me, oh

I can't breathe Without you, but I have to Breathe Without you, but I have to Breathe Without you, but I have to I'm sorry, I'm sorry, I'm sorry I'm sorry, I'm sorry, I'm sorry
