

# Change

Taylor Swift

And it's a sad picture, the final blow hits you  
Somebody else gets what you wanted again and  
You know it's all the same, another time and place  
Repeating history and you're getting sick of it  
But I believe in whatever you do  
And I'll do anything to see it through

Because these things will change  
Can you feel it now?  
These walls that they put up to hold us back will fall down  
This revolution, the time will come  
For us to finally win  
And we'll sing hallelujah, we'll sing hallelujah

So we've been outnumbered  
Raided and now cornered  
It's hard to fight when the fight ain't fair  
We're getting stronger now  
Find things they never found  
They might be bigger  
But we're faster and never scared  
You can walk away, say we don't need this  
But there's something in your eyes  
Says we can beat this

Because these things will change  
Can you feel it now?  
These walls that they put up to hold us back will fall down  
This revolution, the time will come  
For us to finally win  
And we'll sing hallelujah, well sing hallelujah

Tonight we stand, get off our knees  
Fight for what we've worked for all these years  
And the battle was long, it's the fight of our lives  
But we'll stand up champions tonight

It was the night things changed  
Can you see it now?  
These walls that they put up to hold us back fell down  
It's a revolution, throw your hands up  
Cause we never gave in  
And we sang hallelujah, we sang hallelujah  
Hallelujah
