

Forever & Always

Taylor Swift

Once upon a time, I believe it was a Tuesday
When I caught your eye, we caught onto something
I hold onto the night, you looked me in the eye
And told me you loved me, were you just kidding?

'Cause it seems to me his thing is breaking down
We almost never speak, I don't feel welcome anymore
Baby what happened
Please tell me cause one second it was perfect
Now you're halfway out the door

And I stare at the phone, he still hasn't called
And then you feel so low you can't feel, nothing at all
And you flashback to when he said forever and always

Oh, and it rains in your bedroom, everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always

Was I out of line? Did I say something way to honest?
Made you run and hide like a scared little boy
I looked into your eyes, thought I knew you for a minute
Now I'm not so sure

So here's to everything() coming down to() nothing
Here's to silence that cuts me to the core
Where is this going?
Thought I knew for a minute but I don't anymore

And I stare at the phone, he still hasn't called
And then you feel so low you can't feel, nothing at all
And you flashback to when he said forever and always

Oh, and it rains in your bedroom, everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always

Did you mean it baby?,
I don't think so,

Oh back up, baby back up
Did you forget everything?
Back up, baby back up
Did you forget everything?

'Cause it rains in your bedroom, everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always

Oh I stare at the phone, he still hasn't called
And then you feel so low you can't feel, nothing at all
And you flashback to when we said forever and always

And it rains in your bedroom, everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said forever and always

You didn't mean it baby,
You said forever and always,
