

Girl at Home

Taylor Swift

Don't look at me you've got a girl at home
And everybody knows that, everybody knows that.
Don't look at me you've got a girl at home
And everybody knows that.

I don't know how but I feel a responsibility
To do what's upstanding and right
It's kinda like a code yeah
And you've been getting closer and closer
And crossing so many lines
And it would be a fine proposition if I was a stupid girl.
But honey I am no one's exception, this I have previously learned.

So don't look at me you've got a girl at home
And everybody knows that, everybody knows that.
Don't look at me you've got a girl at home
And everybody knows that, everybody knows that.
I see you turn off your phone and now you've got me alone
And I say "don't look at me you've got a girl at home
And everybody knows that, everybody knows that".

I just wanna make sure you understand perfectly
You're the kind of man who makes me sad
While she waits up you chase down the newest thing
And take for granted what you have
And it would be a fine proposition if I was a stupid girl
And yeah I might go with it if I hadn't once been just like her.

So don't look at me you've got a girl at home
And everybody knows that, everybody knows that.
Don't look at me you've got a girl at home
And everybody knows that, everybody knows that.
I see you turn off your phone and now you've got me alone
And I say "don't look at me you've got a girl at home
And everybody knows that, everybody knows that".

Call a cab, lose my number, you're about to lose your girl.
Call a cab, lose my number, let's consider this lesson learned.

So don't look at me you've got a girl at home
And everybody knows that, everybody knows that.
Don't look at me you've got a girl at home
And everybody knows that, everybody knows that.
Wanna see you pick up your phone and tell her you're coming home.
Don't look at me you've got a girl at home
And everybody knows that, everybody knows that.

So don't look at me you've got a girl at home
And everybody knows that, everybody knows that.
It would be a fine proposition if I hadn't once been just like her.
