

# Highway Don't Care

Taylor Swift

Bet your window's down and your hair's pulled back  
I bet you got no idea you're going way too fast.  
and you're trying not to think about what went wrong

Trying not to stop til you get where you goin'  
Trying to stay awake so I bet you turn on the radio.  
and the song goes

I can't live without you, I can't live without you baby  
I can't live without you, I can't live without you baby, baby  
The highway won't hold you tonight  
The highway don't know you're alive  
The highway don't care if you're all alone  
but I do, I do.

The highway won't dry your tears  
The highway don't need you here  
The highway don't care if you're coming home  
but I do, I do.

I bet you got a dead cell phone in the shot gun seat  
yeah, I bet you're bending God's ear talking about me.  
You're trying not to let the first tear fall out  
Trying not to think about turning around  
Trying not to be lost in sound but that song is always on  
so you sing along

I can't live without you, I can't live without you baby  
I can't live without I can't live without you baby, baby  
The Highway won't hold you tonight  
The highway don't know you're alive  
The highway don't care if you're all alone  
but I do, I do

The highway won't dry your tears  
The highway don't need you here  
The highway don't care if you're coming home  
but I do, I do.

I can't live without you, I can't live without you baby  
I can't live without I can't live without you baby, baby  
The highway don't care  
The highway don't care  
The highway don't care  
but I do, I do

The highway don't care  
The highway don't care  
The highway don't care  
but I do, I do

The highway don't care  
The highway don't care  
The highway don't care  
but I do, I do  
The highway don't care

The highway don't care  
The highway don't care  
but I do, I do
