

I Forgot That You Existed

Taylor Swift

How many days did I spend thinking
'Bout how you did me wrong, wrong, wrong?
Lived in the shade you were throwing
'Til all of my sunshine was gone, gone, gone
And I couldn't get away from ya
In my feelings more than Drake, so yeah
Your name on my lips, tongue-tied
Free rent, living in my mind

But then something happened one magical night

I forgot that you existed
And I thought that it would kill me, but it didn't
And it was so nice
So peaceful and quiet
I forgot that you existed
It isn't love, it isn't hate, it's just indifference
I forgot that you

Got out some popcorn
As soon as my rep started going down, down, down
Laughed on the school yard
As soon as I tripped up and hit the ground, ground, ground
And I would've stuck around for ya
Would've fought the whole town, so yeah
Would've been right there, front row
Even if nobody came to your show

But you showed who you are, then one magical night

I forgot that you existed
And I thought that it would kill me, but it didn't
And it was so nice
So peaceful and quiet
I forgot that you existed
It isn't love, it isn't hate, it's just indifference
I forgot that you

Sent me a clear message
Taught me some hard lessons
I just forget what they were
It's all just a blur

I forgot that you existed
And I thought that it would kill me, but it didn't
And it was so nice
So peaceful and quiet
I forgot that you existed
I did, I did, I did
It isn't hate, it's just indifference
It isn't love, it isn't hate, it's just indifference
So, yeah
