

# I Forgot That You Existed

Taylor Swift

How many days did I spend thinking  
'Bout how you did me wrong, wrong, wrong?  
Lived in the shade you were throwing  
'Til all of my sunshine was gone, gone, gone  
And I couldn't get away from ya  
In my feelings more than Drake, so yeah  
Your name on my lips, tongue-tied  
Free rent, living in my mind

But then something happened one magical night

I forgot that you existed  
And I thought that it would kill me, but it didn't  
And it was so nice  
So peaceful and quiet  
I forgot that you existed  
It isn't love, it isn't hate, it's just indifference  
I forgot that you

Got out some popcorn  
As soon as my rep started going down, down, down  
Laughed on the school yard  
As soon as I tripped up and hit the ground, ground, ground  
And I would've stuck around for ya  
Would've fought the whole town, so yeah  
Would've been right there, front row  
Even if nobody came to your show

But you showed who you are, then one magical night

I forgot that you existed  
And I thought that it would kill me, but it didn't  
And it was so nice  
So peaceful and quiet  
I forgot that you existed  
It isn't love, it isn't hate, it's just indifference  
I forgot that you

Sent me a clear message  
Taught me some hard lessons  
I just forget what they were  
It's all just a blur

I forgot that you existed  
And I thought that it would kill me, but it didn't  
And it was so nice  
So peaceful and quiet  
I forgot that you existed  
I did, I did, I did  
It isn't hate, it's just indifference  
It isn't love, it isn't hate, it's just indifference  
So, yeah
