

# I Know Places

Taylor Swift

You stand with your hand on my waist line  
It's a scene and we're out here in plain sight  
I can hear them whisper as we pass by  
It's a bad sign, bad sign  
Something happens when everybody finds out  
See the vultures circling dark clouds  
Love's a fragile little flame, it could burn out  
It could burn out

Cause they got the cages, they got the boxes  
And guns  
They are the hunters, we are the foxes  
And we run

Baby, I know places we won't be found  
And they'll be chasing their tails tryin' to track us down  
Cause I, I know places we can hide  
I know places, I know places

Lights flash and we'll run for the fences  
Let them say what they want, we won't hear it  
Loose lips sink ships all the damn time  
Not this time

Just grab my hand and don't ever drop it  
My love  
They are the hunters, we are the foxes  
And we run

Baby, I know places we won't be found  
And they'll be chasing their tails tryin' to track us down  
Cause I, I know places we can hide  
I know places

They are the hunters, we are the foxes  
And we run  
Just grab my hand and don't ever drop it  
My love

Baby, I know places we won't be found  
And they'll be chasing their tails tryin' to track us down  
Cause I, I know places we can hide  
I know places

They take their shots, but we're bulletproof  
I know places  
And you know for me, it's always you  
I know places  
In the dead of night, your eyes so green  
I know places  
And I know for you, it's always me  
I know places
