

# I'm Only Me When I'm With You

Taylor Swift

Friday night beneath the stars  
In a field behind your yard  
You and I are painting pictures in the sky

And sometimes we don't say a thing  
Just listen to the crickets sing  
Everything I need is right here by my side

And I know everything about you  
I don't wanna live without you

I'm only up when you're not down  
Don't wanna fly if you're still on the ground  
It's like no matter what I do

Well, you drive me crazy half the time  
The other half I'm only trying  
To let you know that what I feel is true  
And I'm only me when I'm with you

Just a small town boy and girl  
Living in the crazy world  
Trying to figure out what is and isn't true

And I don't try to hide my tears  
The secrets, all my deepest fears  
Through it all nobody gets me like you do

And you know everything about me  
You say that you can't live without me

I'm only up when you're not down  
Don't wanna fly if you're still on the ground  
It's like no matter what I do

Well, you drive me crazy half the time  
The other half I'm only trying  
To let you know that what I feel is true  
And I'm only me when I'm with you

When I'm with anybody else  
It's so hard to be myself  
And only you can tell

That I'm only up when you're not down  
Don't wanna fly if you're still on the ground  
It's like no matter what I do

Well, you drive me crazy half the time  
The other half I'm only trying  
To let you know that what I feel is true

And I'm only me  
Who I wanna be  
Well, I'm only me when I'm with you  
With you, oh, yeah
