If This Was a Movie

Last night I heard my own heart beating Sounded like footsteps on my stairs Six months gone and I'm still reaching Even though I know you're not there I was playing back a thousand memories baby Thinkin 'bout everything we've been through Maybe I've been going back too much lately When time stood still and I had you

Come back come back come back to me like You would you would if this was a movie Stand in the rain outside till I came out Come back come back come back to me like You could you could if you just said you're sorry I know that we can work it out somehow But if this was a movie you'd be here by now

I know people change and these things happen But I remember how it was back then Locked up in your arms and our friends are laughing Cause nothing like this ever happened to them Now I'm pacing down the hall Chasing down your street Flashback to the night when you said to me Nothings gonna change not for me and you Not before I knew how much I had to lose

Come back come back come back to me like You would you would if this was a movie Stand in the rain outside till I came out Come back come back to me like

You could you could if you just said you're sorry I know that we can work it out somehow But if this was a movie you'd be here by now

If you're out there if you're somewhere if you're moving on I've be waiting for you ever since you've been gone I just want it back the way it was before And i just wanna see you back at my front door And I'd say

Come back come back come back to me like You would before you said its not that easy Before the fight before i locked you out But I'd take it all back now

Come back come back come back to me like You would you would if this was a movie Stand in the rain outside till i came out Come back come back come back to me like You could you could if you just said you're sorry I know that we could work it out somehow But if this was a movie you'd be here by now

You'd be here by now It's not the kind of ending you wanna see now

Taylor Swift

Baby what about the ending Oh i thought you'd be here by now oh ohh ohh ohh That you'd be here by now
