

Jump Then Fall

Taylor Swift

I like the way you sound in the morning
Were on the phone and without a warning
I realize your laugh is the best sound
I have ever heard.
I like the way I can't keep my focus
I watch you talk, you didn't notice
I hear the words but all I can think is
We should be together

Every time you smile, I smile
And every time you shine,
I'll shine for you.
Whoa I'm feeling you baby
Don't be afraid to
Jump then fall
Jump then fall into me
Be there never gonna leave you
See that you wanna be with me too

So imma stay through it all so jump then fall.

Ooh-oh- oh

Well I like the way your hair falls in your face
You got the keys to me
I love each freckle on your face
Oh
I've never been so wrapped up
Honey I like the way you're everything I ever wanted
I had time to think it all over
And all I can say is come closer
Take a deep breath and jump then fall into

Chorus

The bottoms gonna drop out from underneath
I'll catch you
I'll catch you
And people say things that bring you to your knees
I'll catch you
The time is gonna come when you're so mad you could cry
But i'll hold you through the night until you smile

Chorus:

Whoa I need you baby
Don't be afraid
Please jump then fall
Jump then fall into me

Be there I'm never gonna leave you
See that you wanna be with me too
Cuz Imma stay through it all so jump then fall

Jump then

fall Baby
Jump then fall
Into me
Into me

Every time you smile, I smile
And every time you shine, I shine
And every time you're here
Baby I'll show you
I'll show you we can
Jump then fall
Jump then fall
Jump then fall
Into me
Into me
