

Love Story

Taylor Swift

We were both young when i first saw you
I close my eyes and the flashback starts
Im standing there on a balcony of summer air
See the lights, See the party the ball gowns
I see you make your way through the crowd
You say hello
Little did i know
That you were Romeo you were throwing pebbles
And my daddy said stay away from Juliet
And i was crying on the staircase
Begging you please don't go, and i said
Romeo take me somewhere we can be alone
I'll be waiting all theres left to do is run
You'll be the prince and i'll be the princess
Its a love story baby just say yes
So i sneak out to the garden to see you
We keep quite cuz we're dead if they know
So close your eyes
escape this town for a little while
Cause you were Romeo I was a scarlet letter
and my daddy said stay away from Juliet
But you were everything to me
and i was begging you please don't go and i said
Romeo take me somewhere we can be alone
I'll be waiting all theres left to do is run
You'll be the prince and i'll be the princess
Its a love story baby just say yes
Romeo save me they try to tell me how to feel
This love is difficult, but its real,
Dont be afraid we'll make it out of this mess
Its a love story baby just say yes, oh

Solo:

I got tired of waiting, wondering if you were ever coming around
My faith in you was fading
when i met you on the outskirts of town and i said
Romeo save me i've been feeling so alone
I keep waiting for you but you never come
Is this in my head, i don't know what to think
He knelt to the ground and pulled out a ring and said
Marry me Juliet you'll never have to be alone
I love you and thats all I really know
I talked to your dad go pick out a white dress
Its a love story baby just say yes
Oh, oh, yes
We were both young when i first saw you
