

# Lover

Taylor Swift

We could leave the Christmas lights up 'til January  
This is our place, we make the rules  
And there's a dazzling haze  
A mysterious way about you, dear  
Have I known you twenty seconds  
Or twenty years?

Can I go where you go?  
Can we always be this close?  
Forever and ever  
And I take me out  
And take me home  
You're my, my, my, my...  
Lover

We could let our friends crash in the living room  
This is our place, we make the call  
And I'm highly suspicious  
That everyone who sees you wants you  
I've loved you three summers now, honey  
But I want them all

Can I go where you go?  
Can we always be this close?  
Forever and ever  
And I take me out  
And take me home (Forever and ever)  
You're my, my, my, my...  
Lover

Ladies and gentlemen  
Will you please stand  
With every guitar string scar on my hand  
I take this magnetic force of a man  
To be my lover

My heart's been borrowed  
And yours has been blue  
All's well that ends well  
To end up with you  
Swear to be overdramatic and true  
To my lover

And you'll save all your dirtiest jokes for me  
And at every table  
I'll save you a seat  
Lover

Can I go where you go?  
Can we always be this close?  
Forever and ever  
And I take me out  
And take me home (Forever and ever)  
You're my, my, my, my  
Oh, you're my, my, my, my  
Darling, you're my, my, my, my  
Lover
