We could leave the Christmas lights up 'til January This is our place, we make the rules And there's a dazzling haze A mysterious way about you, dear Have I known you twenty seconds Or twenty years?

Can I go where you go?
Can we always be this close?
Forever and ever
And I take me out
And take me home
You're my, my, my, my...
Lover

We could let our friends crash in the living room This is our place, we make the call And I'm highly suspicious
That everyone who sees you wants you
I've loved you three summers now, honey
But I want them all

Can I go where you go?
Can we always be this close?
Forever and ever
And I take me out
And take me home (Forever and ever)
You're my, my, my...
Lover

Ladies and gentlemen
Will you please stand
With every guitar string scar on my hand
I take this magnetic force of a man
To be my lover

My heart's been borrowed And yours has been blue All's well that ends well To end up with you Swear to be overdramatic and true To my lover

And you'll save all your dirtiest jokes for me And at every table I'll save you a seat Lover

Can I go where you go?
Can we always be this close?
Forever and ever
And I take me out
And take me home (Forever and ever)
You're my, my, my
Oh, you're my, my, my
Darling, you're my, my, my
