

## New Romantics

Taylor Swift

We're all bored, we're all so tired of everything  
We wait for trains that just aren't coming  
We show off our different scarlet letters—  
Trust me, mine is better

We're so young but we're on the road to ruin  
We play dumb but we know exactly what we're doing  
We cry tears of mascara in the bathroom  
Honey, life is just a classroom

'Cause, baby, I could build a castle  
Out of all the bricks they threw at me  
And every day is like a battle  
But every night with us is like a dream

Baby, we're the new romantics  
Come on, come along with me  
Heart break is the national anthem  
We sing it proudly  
We are too busy dancing  
To get knocked off our feet  
Baby, we're the new romantics  
The best people in life are free

We're all here, the lights and noise are blinding  
We hang back, it's all in the timing  
It's poker, he can't see it in my face  
But I'm about to play my Ace

We need love, but all we want is danger  
We team up then switch sides like a record changer  
The rumors are terrible and cruel  
But, honey, most of them are true

'Cause, baby, I could build a castle  
Out of all the bricks they threw at me  
And every day is like a battle  
But every night with us is like a dream

Baby, we're the new romantics  
Come on, come along with me  
Heart break is the national anthem  
We sing it proudly  
We are too busy dancing  
To get knocked off our feet  
Baby, we're the new romantics  
The best people in life are free

So come on, come along with me  
The best people in life are free

Please take my hand and  
Please take me dancing and  
Please leave me stranded,  
It's so romantic

'Cause, baby, I could build a castle

Out of all the bricks they threw at me  
And every day is like a battle  
But every night with us is like a dream

'Cause, baby, I could build a castle  
Out of all the bricks they threw at me  
And every day is like a battle  
But every night with us is like a dream

Baby, we're the new romantics  
Come on, come along with me  
Heart break is the national anthem  
We sing it proudly  
We are too busy dancing  
To get knocked off our feet  
Baby, we're the new romantics  
The best people in life are free
