Style

Taylor Swift

Midnight, You come and pick me up, no headlights Long drive, Could end in burning flames or paradise Fade into view, oh, it's been a while since I have even heard from you (hear d from you)

I should just tell you to leave 'cause I Know exactly where it leads but I Watch us go 'round and 'round each time

You got that James Dean day dream look in your eye And I got that red lip classic thing that you like And when we go crashing down, we come back every time 'Cause we never go out of style We never go out of style

You got that long hair, slicked back, white t-shirt And I got that good girl faith and a tight little skirt And when we go crashing down, we come back every time 'Cause we never go out of style We never go out of style.

So it goes He can't keep his wild eyes on the road Takes me home Lights are off, he's taking off his coat I say, "I heard, oh, that you been out and about with some other girl, some other girl."

He says, "What you've heard is true but I Can't stop thinking about you," and I... I said, "I've been there too a few times."

'Cause you got that James Dean day dream look in your eye And I got that red lip classic thing that you like And when we go crashing down, we come back every time 'Cause we never go out of style We never go out of style

You got that long hair, slicked back, white t-shirt And I got that good girl faith and a tight little skirt And when we go crashing down, we come back every time 'Cause we never go out of style We never go out of style

Take me home Just take me home, yeah. Just take me home (out of style)

You got that James Dean day dream look in your eye And I got that red lip classic thing that you like And when we go crashing down, we come back every time 'Cause we never go out of style We never go out of style Tištěnoz www.txp.cz Sponzor: www
