Hit the ground, hit the ground, hit the ground, oh oh Only sound, only sound that you hear is "No"
You never saw it coming
Slipped when you started running
And now you've come undone and I, I, I, I

Seen you fall, seen you crawl on your knees, eh eh Seen you lost in a crowd, seen your colors fade Wish I could make it better
Someday you won't remember
This pain you thought would last forever and ever

There you'll stand, ten feet tall I will say, "I knew it all along." Your eyes-wider than distance This life-sweeter than fiction

Just a shot, just a shot in the dark, oh oh All you got, all you got are your shattered hopes They never saw it coming You hit the ground running And now you're onto something, I, I, I say

What a sight, what a sight when the light came on Proved me right, proved me right when you proved them wrong And in this perfect weather It's like we don't remember The rain we thought would last forever and ever

There you'll stand, ten feet tall I will say, "I knew it all along." Your eyes-wider than distance This life-sweeter than fiction

There you'll stand, next to me
All at once, the rest is history
Your eyes-wider than distance
This life-sweeter than fiction, fiction

I'll be one of the many saying,
"Look at you now, look at you now, now."
I'll be one of the many saying,
"You made us proud, you made us proud, proud."
I'll be one of the many saying,
"Look at you now, look at you now, now."
I'll be one of the many saying,
"You made us proud, you made us proud, proud."

And when they call your name and they put your picture in a frame You know that I'll be there time and again 'Cause I loved you when, when you

Hit the ground, hit the ground, hit the ground, oh oh Only sound, only sound that you heard was "No"
Now in this perfect weather
It's like we don't remember

The rain we thought would last forever and ever (forever)

There you'll stand, ten feet tall I will say, "I knew it all along." Your eyes-wider than distance This life-sweeter than fiction

There you'll stand next to me
All at once, the rest is history
Your eyes-wider than distance
This life-sweeter than fiction, fiction

It's sweeter than fiction
It's sweeter, yeah
It's sweeter than, sweeter
Sweeter than fiction
