

Teardrops On My Guitar

Taylor Swift

Drew looks at me
I fake a smile so he won't see

That I want and I need
Everything that we should be

I bet she's beautiful
That girl he talks about

She's got everything
That I've had to live without

Drew talks to me
I laugh cause it's so damn funny
But I can't even see
Anyone when he's with me
He says he's so in love
He's finally got it right
I wonder if he knows
He's all I think about at night

He's the reason for the teardrops on my guitar
The only thing that keeps me wishin' on a wishin' star
He's the song in the car I keep singin' don't know why I do

Drew walks by me
Can't he tell that I can't breathe
There he goes so perfectly
The kind of flawless
I wish I could be
She better hold him tight
Give him all her love
Look in those beautiful eyes
And know she's lucky cause

R:

So I drive home alone
As I turn out the light
I'll put his picture down
And maybe get some sleep tonight

Cause he's the reason for the
The only one who's got enough for me to break my heart
He's the song in the car
He's the time tickin' on but there's never enough
And he's all that I need to fall into

Drew looks at me
I fake a smile so he won't see
