

# The Archer

Taylor Swift

Combat, I'm ready for combat  
I say I don't want that, but what if I do?  
'Cause cruelty wins in the movies  
I've got a hundred thrown-out speeches I almost said to you

Easy they come, easy they go  
I jump from the train, I ride off alone  
I never grew up, it's getting so old  
Help me hold on to you

I've been the archer, I've been the prey  
Who could ever leave me, darling  
But who could stay?

Dark side, I search for your dark side  
But what if I'm alright, right, right, right here?  
And I cut off my nose just to spite my face  
Then I hate my reflection for years and years

I wake in the night, I pace like a ghost  
The room is on fire, invisible smoke  
And all of my heroes die all alone  
Help me hold on to you

I've been the archer, I've been the prey  
Screaming, who could ever leave me, darling  
But who could stay?  
(I see right through me, I see right through me)

'Cause they see right through me  
They see right through me  
They see right through  
Can you see right through me?  
They see right through  
They see right through me  
I see right through me  
I see right through me

All the king's horses, all the king's men  
Couldn't put me together again  
'Cause all of my enemies started out friends  
Help me hold on to you

I've been the archer, I've been the prey  
Who could ever leave me, darling  
But who could stay?  
(I see right through me, I see right through me)  
Who could stay?  
Who could stay?  
Who could stay?  
You could stay  
You could stay

Combat, I'm ready for combat
