

# The Best Day

Taylor Swift

I'm five years old  
It's getting cold, got my big coat on  
I hear your laugh  
And look up at smilin at you, I run and run  
Past the pumpkin patch  
And the tractor rides, Look now, the sky is gold  
I hug your legs  
And fall asleep on the way home

I don't know why all the trees change in the fall  
C D G \* Em  
But I know you're not scared of anything at all  
C D G \* Em  
Don't know if Snow White's house is near or far away  
But I know I had the best day with you today

I'm 13 now  
And don't know how my friends could be so mean  
I come home crying  
and you hold me tight and grab the keys  
And we drive and drive  
Until we find a town far enough away  
And we talk and window shop  
Til I've forgotten all their names

C D G \* Em  
I don't know who I'm gonna talk to now at school  
C D G \* Em  
But I know I'm laughin on the car ride home with you  
C D G \* Em  
Don't know how long it's gonna take to feel okay  
But I know I had the best day with you today

I have an excellent father  
His strength is making me stronger  
God smiles on my little brother  
Inside and out, he's better than I am...

I grew up in a pretty house and I had space to run  
And I had the best days with you

There is a video  
I found from back when I was three  
You set up a paint set  
in the kitchen and you're talkin to me  
It's the age of princesses  
and pirate ships and the seven dwarfs  
My Daddy's smart  
And you're the prettiest lady in the whole wide world

C D G \* Em  
Now I know why the all the trees change in the fall  
C D G \* Em  
I know you were on my side even when I was wrong  
C D G \* Em

And I love you for giving me your eyes, staying back and watching me shine

C                      D                      G                      \*                      Em  
And I didn't know if you knew, so I'm takin this chance to say  
I had the best day with you today
