

# The Story of Us

Taylor Swift

I used to think one day we'd tell the story of us  
And how we met  
And how the sparks flew instantly  
And people would say they're the lucky ones

I used to know my place was the spot next to you  
Now I'm searching the room for an empty seat  
Cause lately I don't even know what page you're on

Oh, a simple complication, Miscommunications lead to far love  
So many things I wish that you knew  
So many walls that I can't break through

Now I'm standing alone in a crowded room  
And you're not speaking  
And I'm dying to know  
Is it killing you  
Like it's killing me  
And I don't know what to say since a twist of fate  
when it all broke down  
And the story of us looks a lot like a tragedy now

How did we end up this way?  
See me nervously pulling of my clothes and trying to look busy  
And you're doing your best to avoid me  
I'm starting to think that one day I'll tell the story of us  
Of how I was losing my mind when I saw you here  
But you held your pride like I should have held mine,  
Oh I'm scared to see the ending why are we pretending this is nothing  
I'd tell you I miss you but I don't know how  
I've never heard silence quite this loud

Now I'm standing alone in a crowded room  
And you're not speaking  
And I'm dying to know  
Is it killing you  
Like it's killing me

And I don't know what to say since a twist of fate  
when it all broke down  
And the story of us looks a lot like a tragedy now

This is looking like a contest  
Of who can act like they care less  
But I liked it better when you were on my side

The battle is your hand now  
But I would lay my armor down  
If you said you'd rather love then fight

So many things you wish that I knew  
But the story of us might be ending soon

Now I'm standing alone in a crowded room  
And you're not speaking  
And I'm dying to know  
Is it killing you

Like it's killing me  
And I don't know what to say since a twist of fate  
when it all broke down  
And the story of us looks a lot like a tragedy now  
NOW NOW NOW!

And were not speaking  
And I'm dying to know is it killing you  
Like it's killing me?

YEAH!

And I don't know what to say since a twist of fate  
cause were going down.  
Cause the story of us looks a lot like a tragedy now
