

# This Love

Taylor Swift

Clear blue water, high tide came and brought you in  
And I could go on and on, on and on, and I will  
Skies grew darker, currents swept you out again  
And you were just gone and gone, gone and gone

In silent screams,  
in wildest dreams  
I never dreamed of this

This love is good, this love is bad  
This love is alive back from the dead  
These hands had to let it go free  
And this love came back to me

Tossing, turning, struggled through the night with someone new  
And I could go on and on, on and on  
Lantern burning, flickered in my mind for only you  
But you're still gone, gone, gone

Been losing grip,  
oh, sinking ships  
You showed up just in time

This love is good, this love is bad  
This love is alive back from the dead  
These hands had to let it go free  
And this love came back to me

This love left a permanent mark  
This love is glowing in the dark  
These hands had to let it go free  
And this love came back to me

This love, this love, this love, this love... (4x)

Your kiss, my cheek, I watched you leave  
Your smile, my ghost, I fell to my knees  
When you're young you just run  
But you come back to what you need

This love is good, this love is bad  
This love is alive back from the dead  
These hands had to let it go free  
And this love came back to me

This love left a permanent mark  
This love is glowing in the dark  
These hands had to let it go free  
And this love came back to me

This love, this love, this love, this love... (4x)
