

# Treacherous

Taylor Swift

Put your lips close to mine  
As long as they don't touch  
Out of focus, eye to eye  
Till the gravity's too much  
And I'll do anything you say  
If you say it with your hands  
And I'd be smart to walk away but you're quick sand

This slope is treacherous  
This path is reckless  
This slope is treacherous  
And I I I like it

I can't decide if it's a choice  
Getting swept away  
I hear the sound of my own voice  
Asking you to stay  
And all we are is skin and bone trained to get along  
Forever going with the flow but you're friction

This slope is treacherous  
This path is reckless  
This slope is treacherous  
I I I like it

Two headlights shine through the sleepless night  
And I will get you will get you alone  
Your name has echoed through my mind  
And I just think you should think you should know  
That nothing safe is worth the drive and I would follow you follow you  
u home  
I'll follow you, follow you home

This hope is treacherous  
This daydream is dangerous  
This hope is treacherous  
I I I, I I I, I I I

Two headlights shine through the sleepless night  
And I will get you will get you alone  
Your name has echoed through my mind  
And I just think you should think you should know  
Them not being safe is worth the driving I will follow you follow you  
home  
I follow you follow you home  
I follow you follow you home  
I follow you follow you home

This slope is treacherous  
I I I like it
