

Two Is Better Than One

Taylor Swift

I remember what you wore on the first day
You came into my life and I thought
"Hey, you know, this could be something"
'Cause everything you do and words you say
You know that it all takes my breath away
And now I'm left with nothing

'Cause maybe it's true
That I can't live without you
Maybe two is better than one
There's so much time
To figure out the rest of my life
And you thought that it got me coming undone
And I'm thinking two is better than one

I remember every look upon your face
The way you roll your eyes
The way you taste
You make it hard for breathing
'Cause when I close my eyes and drift away
I think of you and everything's okay
I'm finally now believing

That maybe it's true
That I can't live without you
Maybe two is better than one
There's so much time
To figure out the rest of my life
And you thought that it got me coming undone
And I'm thinking two is better than one
Yeah, yeah

I remember what you wore on the first day
You came into my life and I thought, "Hey,"

Maybe it's true
That I can't live without you
Maybe two is better than one
There's so much time
To figure out the rest of my life
And you thought that it got me coming undone
And I'm thinking
I can't live without you
'Cause, baby, two is better than one
There's so much time
To figure out the rest of my life
But I'll figure it out
When it's all said and done
Two is better than one
Two is better than one
