

# We Are Never Ever Getting Back Together

Taylor Swift

I remember when we broke up, the first time  
saying this is it I've had enough,  
because like we hadn't seen each other in a month  
when you said you needed space...what?

Then you come around again and say  
baby I miss you and I swear I'm gonna change  
Trust me  
Remember how that lasted for a day?  
I say I hate you, we break up, you call me, I love you  
You called it off again last night  
but this time I'm telling you,  
I'm telling you,

We are never ever ever getting back together  
We are never ever ever getting back together  
You go talk to your friends talk to my friends talk to me  
but we are never ever ever ever getting back together.  
Like...ever

I'm really gonna miss you picking fights  
and me falling for it, screaming that I'm right  
and you hide away and find your piece of mind  
with some indie record that's much cooler than mine  
You called me up again tonight  
But this time, I'm telling you, I'm telling you

We are never ever ever getting back together  
We are never ever ever getting back together  
You go talk to your friends talk to my friends talk to me  
but we are never ever ever ever getting back together.

I used to think that we were forever, ever  
and I used to say never say never  
so he calls me and he's like  
"I still love you."  
And I'm just like "This is exhausting...  
We are never getting back together.  
Like ever."

No!

We are never ever ever getting back together  
We are never ever ever getting back together  
You go talk to your friends, talk to my friends, talk to me  
But we are never ever ever ever getting back together

We are not getting back together,  
We oh, not getting back together

You go talk to your friends, talk to my friends, talk to me (talk to me)  
But we are never ever ever ever getting back together
