

# Welcome to New York

Taylor Swift

Walking through a crowd, the village is aglow  
Kaleidoscope of loud heartbeats under coats  
Everybody here wanted something more  
Searching for a sound we hadn't heard before  
And it said

Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York  
Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York

It's a new soundtrack  
I could dance to this beat, beat  
Forevermore  
The lights are so bright  
But they never blind me, me  
Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York

When we first dropped our bags on apartment floors  
Took our broken hearts, put them in a drawer  
Everybody here was someone else before  
And you can want who you want  
Boys and boys and girls and girls

Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York  
Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York

It's a new soundtrack  
I could dance to this beat, beat  
Forevermore  
The lights are so bright  
But they never blind me, me  
Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York

Like any great love, it keeps you guessing  
Like any real love, it's ever-changing  
Like any true love, it drives you crazy  
But you know you wouldn't change anything, anything, anything

Welcome to New York  
It's been waiting for you

Welcome to New York  
Welcome to New York  
Welcome to New York  
It's been waiting for you  
Welcome to New York  
Welcome to New York

It's a new soundtrack  
I could dance to this beat  
The lights are so bright  
But they never blind me  
Welcome to New York

New soundtrack  
It's been waiting for you  
Welcome to New York  
The lights are so bright  
But they never blind me  
Welcome to New York  
So bright, they never blind me  
Welcome to New York  
Welcome to New York
