

White Horse

Taylor Swift

Say you're sorry that face of an angel
Comes out just when you need it to
As I paced back and forth all this time
Cause I honestly believed in you
Holding on the days drag on
Stupid girl

I should have known, I should have known

R: I'm not a princess, this ain't a fairy tale
I'm not the one you'll sweep off her feet
Lead her up the stairwell
This ain't Hollywood, this is a small town
I was a dreamer before you went and let me down
Now it's too late for you
And your white horse, to come around

2. Maybe I was naive, got lost in your eyes
And never really had a chance
My mistake, I didn't know to be in love
You had to fight to have the upper hand
I had so many dreams about you and me
Happy endings, well now I know

R:

And there you are on your knees
Begging for forgiveness, begging for me
Just like I always wanted but I'm so sorry

Cause I'm not your princess, this ain't a
fairytale
I'm gonna find someone someday who might
actually treat me well
This is a big world, that was a small town
There in my rearview mirror disappearing now
And its too late for you and your white horse
Now its too late for you and your white horse,
To catch me now
Oh, Try and catch me now
Oh, it's too late
To catch me now
