

# You're Not Sorry

Taylor Swift

All this time I was wasting,  
Hoping you would come around  
I've been giving out chances every time  
And all you do is let me down  
And it's taking me this long  
Baby but I figured you out  
And you're thinking we'll be fine again,  
But not this time around

You don't have to call anymore  
I won't pick up the phone  
This is the last straw  
Don't wanna hurt anymore  
And you can tell me that you're sorry  
But I don't believe you baby  
Like I did - before  
You're not sorry, no noo no noo

Looking so innocent,  
I might believe you if I didn't know  
Could've loved you all my life  
If you hadn't left me waiting in the cold  
And you got your share of secrets  
And I'm tired of being last to know  
And now you're asking me to listen  
Cause it's worked each time before

But you don't have to call anymore  
I won't pick up the phone  
This is the last straw  
Don't wanna hurt anymore  
And you can tell me that you're sorry  
But I don't believe you baby  
Like I did - before  
You're not sorry no no ohhh  
You're not sorry no no ohhh

You had me falling for you honey  
And it never would've gone away, no  
You used to shine so bright  
But I watched all of it fade

So you don't have to call anymore  
I won't pick up the phone  
This is the last straw  
There's nothing left to beg for  
And you can tell me that you're sorry  
But I don't believe you baby  
Like I did - before  
You're not sorry no no ohhh  
You're not sorry no no ohhh
