Uh-oh I did it again  
Just when I thought I couldn't fall no deeper  
Somehow I bumped right into him  
I guess the game of love is ready to begin  
I got a page added to the story  
Feelings are hard to pretend  
I thought my heart just couldn't get much weaker  
But somehow it bruises breaks and bends  
I want to hate him but he hits me with that grin  
And now I'm back in love again nooo-u-woahhh

Emergency I got this feeling  
Emergency I need your healing me  
So send rescue hear for meeee  
It's an emergency  
Emergency I think I'm hopeless (hopeless)  
Emergency I'm losing focus how could this thing happen to meeee  
Ohhhh emergency

Can't get him out of my mind  
I'm so infatuated with his swagger  
His style is so one of a kind  
I think of him and now wish I could press rewind  
My hair was fine only coming for me  
I can't take rejection this time  
My heart is still bleeding from the last dagger  
I vowed to leave the pain behind  
And baby love is like a mountain I can't climb  
Just when I thought that I was fine no call

Emergency I got this feeling  
Emergency I need your healing me  
So send rescue hear for meeee  
It's an emergency  
Emergency I think I'm hopeless (hopeless)  
Emergency I'm losing focus how could this thing happen to meeee  
Ohhhh emergency
