

Ok, Lamborghini mercy, these soldiers too thirsty
They looking for handouts while these real bitches is working
Ok, Lamborghini mercy, these soldiers too thirsty
Erybody wanna live that life but they ain't worth it
Lamborghini mercy, these hoes is too thirsty
Pipe from my... bitch I know you heard me
Uh they say that body mean, uh they say that body clean
Think they talking bout that power,
Bitch they talking bout me
Now we on them... yeah we...
I flew on a private jet cause I ain't in the wind
I came to get money, I ain't on vacation
20 bad bitches at my table and I'm paying, ah
Ok, Lamborghini mercy, these soldiers too thirsty
They looking for handouts while these real bitches is working
Ok, Lamborghini mercy, these soldiers too thirsty
Erybody wanna live that life but they ain't worth it
Lamborghini mercy, I'm dripping mad thirsty
I'm whipping with tiara, universal but no purses
10 stacks for them purse bags, 10 racks for that verse damn
I pack the... so purple red
I see purple red it's that purple said
... think I seen that... crack,
Wonder why I'm still here, learn how to get it my town
They act like they don't know, yeah I'm from that 8 mile
Yeah I'm from that motor, I'm the shit come smell my odor
Pull up in that rover, fresh as I step off my shoulder
Bitch I thought I told ya, I'm bout that bag main
Back up on my face, if you talking bout that small change
Small change, I ain't worried bout that
I be skirting up in my Lamborghini mercy
Ok, Lamborghini mercy, these soldiers too thirsty
They looking for handouts while these real bitches is working
Ok, Lamborghini mercy, these soldiers too thirsty
Erybody wanna live that life but they ain't worth it.
