You running out of luck, yea ya stars are not aligned  
And now, played the last game with you for the last time  
Threw the cards on the table can't take another round  
Got these chicks callin me it's about to go down  
You messy, I can't take a man who can't get his stuff together  
Can't get his words together (you can go into whatever)  
Keep my name out ya mouth, yeah the door has been closed  
Every chick had yours, baby that's a no no

Gotta take it babe, you've been warned, so you know ya gotta go  
To caught up in the wrong, oh no  
Get ya bags and run, said ya messin with the wrong one  
Take ya back and let it go, oh hell no

That's a no no, no talking to me, no more causing drama (no) no  
loving from me any time ya wanna (that's a no), No getting wit  
h me, no more causing drama (that's a no no, no, no no, no no n

Yea ya tried to clear it up, baby I don't give a what  
Boy ya know ya free to go, changing what was wrong before  
Thought it was about you, boy ya acting brand new  
Save ya money, flowers and cards it ain't working out  
Ain't no kisses for ya go (that's a no no)  
You can have ya stuff back, you can have ya pictures of  
But cha can't have my love, oh no no

I thought about it I don't want it, I don't need it, naw  
The games, the problems, the drama, yea they can have it all  
So I don't know why y keep callin my phone, mightest well leave  
me alone, cause ya know I'm a say no  
And quite frankly I'm sick and tired of your bull shh, my time  
is exclusive, ya lying is useless  
A ha ha, and right now I'm on my new shh, I'm not on you shh, a
