I was shopping with my my homegals Didn't expect him to act so immature He be off in his own world... I thought my baby was in so insecure

I guess I did something so wrong... Cause my baby won't pick up the telephone... And he ain't even coming home And it's been so long

Maybe I should send him some flowers or a card Some candy or a letter cause his taking it so hard I should take him on a Shopping spree Let's ball out at the mall Out wine him and dine I might as well have me a ball...

I guess I did something so wrong... Cause my baby won't pick up the telephone... And he ain't even coming home And it's been so long
