

I'm Illegal

Team Dresch

I'm afraid walking down the street holding hands with my girlfriend
that some cop
is gonna arrest me (uh, excuse me ladies) sometimes i think i've
even done
something wrong invite me in show me around make me feel safe i
am illegal i'm
nearly gone i have this vivid memory of being in a boat with a
friend i was 11 i
said girls can't get married to each other i remember thinking
how fucked up that
was you say you have a ban on affection did i hear you right? what
do you think
cuz i'm not sure whether i didn't get that job (we hired someone
else) because my
hair's parted on the wrong side or because i'm a flaming s
