

She's Crushing My Mind

Team Dresch

what i should have been
was way too possible it's fucked up
to think like this and
i'm waiting for her thoughts to kill me
only she's not having a thought past thinking
about why she was born this way this
way trying not to forget her
face before remembering anyways
it's the kind of structure that breaks with everyone
still on
the ground you don't want to let it hit you full force
nothing let to guard
you don't want me to know you never wanted me this way
this way you never wanted me
anyways she wants to forget it
she wants to forget it
