

# Take On Me

Team Dresch

she said i'd really like to, but i got a lot to think and  
write about why don't you go

back home and i'll stop by tomorrow she said you know i'd  
really like to but i've got

so much to think and write about why don't you go back  
home and i'll stop by

tomorrow and we'll clean your room pretend you're here  
pretend you're here take

you to the corner i'll take you out for drinks i'll take  
you to my room and you can

take on me i have got it figured out hold on one second i  
have got it figured out

wish i was riding bikes with you i've sat down in the  
middle of this mess i've

made of letters and clothes wish i was anywhere with you  
i've sat down in the

middle of this mess i've made of letters and if you were  
here pretend you are not

2,000 miles away
