

## Dear sister

Team Me

In my house, in my heart  
Dear sister, speak to me  
I thought you'd found your peace somehow  
Guess you fell in love.. with a state of mind  
Guess you fell in love.. with a state of mind

In my books and on the bus  
Dear sister, speak to me  
I thought you'd found your peace somehow  
Guess you fell in love... with a state of mind  
Guess you fell in love... with a state of mind

Guess I'm wasting my time again  
Guess I'm wasting my time again

It seems I'm lost when what I felt  
Dear sister, speak to me  
I thought I found my peace somehow  
Guess I fell in love... with a state of mind  
Guess I fell in love... with a state of mind

I keep my secrets to myself  
Dear sister, speak to me  
I thought you'd found your peace somehow  
Guess I fell in love... with a state of mind  
Guess I fell in love... with a state of mind

Guess I'm wasting my time again  
Guess I'm wasting my time again
