

With My Hands Covering Both of my Eyes I am Too Scared to Have a Look

Team Me

Mediocre friend
Put on a mediocre smile for me
Mediocre friend
Pretend you're happy for me, happy for me

Mediocre song
Come on and mean something for someone
Mediocre song
Mean something, mean something

Mediocre band
Perform mediocre songs for us
Mediocre band
Dance for us, dance for us

Mediocre spark
Surprise me, let me know you're still around
Mediocre love
Mean something, mean something

With my hands covering both of my eyes
I am too scared to have a look at you now
I hope I mean something, I hope we mean something
I hope we mean something for you, my love

With my hands covering both of my eyes
I am too scared to have a look at you now
I hope I mean something, I hope we mean something
I hope we mean something for you, my love

My mediocre sleep
My mediocre sleep explains
Mediocre me
Don't know how to tell you how I feel

Mediocre me
Ice-cold and super silent
Mediocre me
About to leave everything behind

With my hands covering both of my eyes
I am too scared to have a look at you now
I hope I mean something, I hope we mean something
I hope we mean something for you, my love

With my hands covering both of my eyes
I am too scared to have a look at you now
I hope I mean something, I hope we mean something
I hope we mean something for you, my love
