

Crucified

Tear Out the Heart

What is that you believe in?
What is it that you fear the most?
It's ahrd to handle the truth
When it's at your fucking throat

If you're going to crucify me
For my "so called sins"
At least stake me up somewhere with a view
I want to see this "Hell" I've made

Don't say I'm only the martyr
Just know that I'll be waiting
I'll stay alive just to show you
I'll be everything you're not

Who is it that you blame the most?
Your ignorance, your only resistance
Don't let it get the best of you

If you're going to crucify me
For my "so called sins"
At least stake me up somewhere with a view
I want to see this "Hell" I've made

Don't say I'm only the martyr
Just know that I'll be waiting
I'll stay alive just to show you
I'll be everything you're not

I'm everything you're not
I'll always be what you're not

I want to see this Hell that I've made
Bitch
