

Darker Tides

Tear Out the Heart

I know the end is inevitable
And I'll fall
Before I'll ever learn to fly
But I won't give up
And I won't cave in
At least that I can say I tried

This has always been about heart
This has never been about change
When there's nothing left to give
That's when we start the taking

It's a mystery
What the future holds
There's a past behind us
It's dark and cold
What will be the end of me?
We'll never know
So let it go
Just let it go
Drown in all your pride
Keep swimming out into darker tides
Let your eyes lose sight of the shore

I've learned that change is irrelevant
And that destiny it lies within
But I won't bend
And I won't break down
I'll make it on my own

This has always been about heart
This has never been about change
When there's nothing left to give
That's when we start the taking

It's a mystery
What the future holds
There's a past behind us
It's dark and cold
What will be the end of me?
We'll never know
So let it go
Just let it go
Drown in all your pride
Keep swimming out into darker tides
Let your eyes lose sight of the shore
Just let it go
Drown in all your pride
Keep swimming out into darker tides
Let your eyes lose sight of the shore

Let it go

Just let it go
Drown in all your pride
Keep swimming out into darker tides
Let your eyes lose sight of the shore

Just let it go
Drown in all your pride
Keep swimming out into darker tides
Let your eyes lose sight of the shore
