

## Head over Heels

Tears For Fears

I wanted to be with you alone  
And talk about the weather  
But traditions I can trace  
Against the child in your face

Won't escape my attention  
You keep your distance with a system of touch  
And gentle persuasion  
I'm lost in admiration, could I need you this much

Oh, you're wasting my time  
You're just wasting time

Something happens and I'm head over heels  
I never find out till I'm head over heels  
Something happens and I'm head over heels

Ah, don't take my heart  
Don't break my heart  
Don't throw it away

I made a fire and watching burn  
Thought of your future  
With one foot in the past  
Now just how long will it last

No, no, no, have you no ambition  
My mother and my brothers  
Used to breathe in clean in air  
(Changes with those)  
And dreaming I'm a doctor  
(They can't stop)

It's hard to be a man  
When there's a gun in your hand  
Oh, I feel so

Something happens and I'm head over heels

And this my four leaf clover  
I'm on the line, one open mind  
This is my four leaf clover
