

Bianca's & Beatrice's

Tech N9ne

I'm kickin' it with this chick up in the club I'm off
The lou, and when you're on that caribou
You know just what to do,
I called her bianca
Then she said what is that bianca shit
I looked and cracked a smile
And said bianca means you bitch

You's a biank baby, whether you like it or not
But you hot especially with ex & vicaden popped.
If you trippin' you can hike it and hop,
Cause you know what I came to do
Me and my villains come to strike it and stop
Pipe it and prop ya leg up and get up
Bianca hold ya head up
Your sex wet the bed up,

Everybody's pondering wondering
About my slang that I spit, you can use it
When you refer to a dame or a chick
Don't be trippin' about the choice of words I'm using
On this script, don't step off in my face cause you
Can bet that I come equipped,
You wanna know what
You say, to get that biank to let you blend, (what)
Hotel, Motel, Holiday Inn

Bianca's and beatrice's
Are known for wetting matrices
And bending over in the I'll positions
Bianca's and beatrice's
