

Boy Toy

Tech N9ne

Yo krizz?

Hm?

I really knocked the boots in those two big butt females last night
Yeeesh!

Yeah man I'm on my way too westport to find two more freaks
Woooooord

I already play with your friends
Now I wanna play with you
I already, I already with your friends
Now I wanna play with you
Boy toy, boy boy boy toy
I already play with your friends
Now I wanna play with you
Boy toy, boy boy boy toy
I already play with your friends
Now I wanna play with you

I should not be one you take too moms
Unless your moms talks the face the bomb
I don't wanna know if you have some grey pupan
Just great punan and a laid coupon
I'm excited for you to find me invited I'll get your hiny ignited
I'll get you slimy and slided, inside I might even bite it
I can get mighty and violent
Baby why even fight it you and your girl haides invited
To come right over in your PJ's
The day with your B.F. was not easy
So you're telling your girls the game we play
Called I'm in love with your VJ
Sign me up so get behind the but
All you gotta have is T.N.A to whine me up
All creeds even louds beauty's needing the coy coy
Ozy women oy oy they're lovin this boy toy

I already play with your friends
Now I wanna play with you
I already, I already with your friends
Now I wanna play with you
Boy toy, boy boy boy toy
I already play with your friends
Now I wanna play with you
Boy toy, boy boy boy toy
I already play with your friends
Now I wanna play with you

Turn me on I'mma let the black mamba loose
Really sexy ladies meet my anaconda swoop
Women wonder whose got the long masseuse
Pop my stick in your mouth and its as sweet as jumba juice
Real hard it will barge in too a ladys nani will card teeny boppers
That get the spill guard, hills stars for women standing amity ville
Yard this fantasy now real time with Bill MARKS
Time is ticking come find this dickin be mine for stickin
I love it when I find she lickin on me
Grind and twitchin design for pitchin the line for missin
I dug it I'll be hind the thicky homie

Don't rate I'm horny and don't hate on any permanent situation
Yeah God I don't date but I'm gone mate and my power stay on late
And the best thing about this boy toy is I don't break

I already play with your friends
Now I wanna play with you
I already, I already with your friends
Now I wanna play with you
Boy toy, boy boy boy toy
I already play with your friends
Now I wanna play with you
Boy toy, boy boy boy toy
I already play with your friends
Now I wanna play with you

B O Y T O Y me so fly, wanna play with me
She know why she's gone buy the bone guy
'cause I display the d
And nothing else I'm good for your fucking health
You're looking for love and help
And sick of just rubbin self
I got you, I don't fake with this boy toy shit
If you wanna play just hit me up and kiss my joy stick
Mhm I love it
You love what?
That
What about me?
