

Tech N9ne

I can't decide this gets deeper, now my body's growing weaker To end this is dedicated, for this you'll never be belated bro.

I told 'em I ain't know you rap nigga you cold blooded The way he busted his flow on stage wasn't slow was it My nigga was flippin, he grabbed that mic n was rippinin Untill some idiots was trippinin, then I heard bullets whistlin Coulda slang em, I just wanna celebrate he laughed n said Hes writin a song called reno 911 straight on they ass. As far as words go its crazy, remember the last I heard EMJ On this emotional musical journey.

Come ride with me.. Is it sad to see still ride with me So join me.. let me share with this world as I live out the dre ams We won't be gone for long! I promise you won't be alone! If you lose me frightened, words of this song, remember michael jones. On this emotional musical journey.

"Yo... this is OG Muggs, for a shout out to my man MJ, God took you away, it was too soon man Your up there with the angels lookin down And watchin our world right now brother. We love you, we miss you, We'll never forget you MJ Rest in peace brother."
