

# God Complex

Tech N9ne

And God said  
Let us make man in our image  
According to our likeness  
Let them have dominion over the fish  
Of the sea  
Over the birds of the air  
Over the cattle  
And over all the earth  
Projected image  
Across my soul  
Saying  
Can't die  
Many  
Death situations  
But that ain't  
Why  
I got the  
Spirit of an angel  
Mixed with demoniac  
Ways of living  
So this means  
I'll beat the evil  
Out of a non-believer  
Until praise is given  
But I know  
Torture is evil  
Though it says in the  
Bible  
You got to be  
Righteous spirited  
For the  
Arrival  
I'm righteous and wicked  
But I wonder  
Can I go  
If there's a heaven  
But on earth it's  
Survival  
Connected with angels  
But to demons  
I'm vital  
Approaching with hate  
Oh yes it's  
Homicidal  
Like denouncing Selena at  
Cinco de Mayo  
Certain death  
Oh no  
Oh no  
I'm on the  
Road to heaven and  
Hell  
Don't even bother me  
Ever since eleven and  
twelve  
I've been that prodigy  
Though life has never been

Swell  
Somewhere there's gotta be  
Where a good Samaritan  
Prevails but  
they get straight sodomy  
So I learned the ways of  
Man  
Grands  
Filling my pants  
Gun in my hand  
For the demons  
On the land  
On the other hand  
I really am  
Angelic  
I ain't got to stress it  
You can tell it  
Look into my eyes  
No surprise  
I'm half cupid  
Half relic  
He who  
Treads the path of the beast  
Is also he who's sins are repentable  
But if you ever  
Ever ever ever  
Hurt a God  
Then we got to do away with the genitals  
Don't ever do something you'll regret  
Do away with all these goody goody  
Law abiding mutha fuckas  
And let there be Tech  
Nigga

If anybody say  
Fuck me  
Everybody say  
Fuck you  
Cause they know my shit's  
Pure  
Soul serving  
And  
Plus true  
If anybody say  
Fuck me  
Everybody say  
Fuck you  
Odd one Tech  
Got that God complex

Get on your  
Knees and pray  
If you step in our way  
Cause we spray till they decay  
The ones who hate everyday  
But how long  
Must we flash and pop  
How long  
Must we show demons  
We can't be stopped  
Get on your  
Knees and pray  
If you step in our way

Cause we spray till they decay  
The ones who hate everyday  
But how long  
Must we flash and pop  
How long  
Must we show demons  
we can't be stopped
