Harvey Dent

This Tech N9ne baby And I don't do just one thing I'm everything If I did one thing All y'all would agree But you don't So you want me do some madness Y'all want the crazy shit But I just wanna kick it sometimes Drink some fuckin Caribou Lou and KC Tea GODDAMN!

They want madness, Anghellic and sadness Fans relish when gladness is damned, devilish and ashes But I like this cash, this massive magazine ad gets crackin' Attractive chicks passin' is rap and actresses never asses They want the clown, the paint and the evil frown The drinkin', the needle now, the taint and no feeble sounds But I need your pounds, your pesos, your people down with this label And I be so bound for that halo when I be low ground They want that black magic, that savage with bad habits And grab at and stab rabbits, the maggot that has cabbage But I'm at that fast status with swagger that's past average My glasses and rag matches don't mean flag and it's no blast added They say bizarre he went, they love him and dark he vents Toppin' the chart, he sent naughty shit to everybody's tent I wanna be at the party bent listening to Parliament Sorry this part of me's a gnarly gent, they call me (Harvey Dent)

People be talkin bout This and that sayin' it Ain't a hit can I get Back what I started with Want my, want my old shit, buy my, buy my old albums Want my old shit, buy my, buy my old albums (Harvey Dent)

They want the demon The animal that spread the semen The cannibal Sign of the heathen Who's eatin meat and no vegan But I get my fees And I'm reachin for the decent skis And a piece of the be frequent beats And the freak and be hit the cheesing They want the dark knight They want a bar fight Hard bites Art is the smartest thing In this scarred life Women, that's our vice They starin' at our ice Matter what's at the tar lights? But I hit in the car twice They want that killer clown They want the milla sound Gorilla that pill ya for scrilla But I hold the villa down

Tech N9ne

I'm chinchilla now With Makzilla I tap chillas You rap niggas you hate But it's still a crown Just call me Two Face On the right side I got healthy pearly whites On the left side I got a tooth ache I'm Asmodeus but then I'm Master Farah? Black people think I'm a devil And the white people think I'm a god

People come up to me and they say they like the older stuff you know what im sayin' Like Anghellic and Calm Before The Storm But I gotta evolve, you know what im sizzlin'? If you don't like the new shit then go buy the older shit
