

## Here I Come

Tech N9ne

I've been around the world  
And I Yi Yi  
Don't know why people  
What?  
Why people go to the strip club  
To spend their dough  
Just to see butt  
To see these ladies strip  
And take off all their clothes  
I do not know why  
They choose such a spot  
I just don't know why  
We get hot  
It's probably cause  
They make it hop and twerk the pole  
And their headlights are sitting bold  
Makes it look like its getting' cold  
Can I hold you tight  
Hop on my lap  
And do that dance  
I come to spend ones and huns  
On lovely skin  
Booty weighs a ton  
Let the game begin  
Cause here I come

Teccanina swope down like space invaders boy  
Pull out the piece like on you haters boy  
Forget about the haters  
I don't want to talk about 'em  
On this right now  
I want to talk about  
That butt them breasts  
Yes yes want to test  
Now sanity stops  
When the fannie g. drops  
Fantasy locked  
On makin' the canopy rock  
Panties be hot  
When we walk in  
All vanity pops  
In every glam if she's stocked  
Make her make it  
Frantically hop  
We're all at the tittie bar  
VIP and all of the kitties  
Are sittin' with me  
They're all knowin'  
Who we are  
TECHN9NE, baby  
How you doin'  
What you drinkin'  
Caribou  
Is what I'm thinkin'  
Kansas City, baby  
Hey, yo, yo, yo, yo,  
We got relish

Don't be jealous  
That's a hey no, no, no  
Me and my fellas  
Travelin' lookin' for them  
Who does what  
Make it hop  
In Houston, Texas  
ATL, California  
Whazzup

Blanks with breasts and big butts  
Here I come baby  
Enough to make the big bucks  
Here I come baby  
151 and Malibu rum and pineapple juice in  
My cup  
Here I come baby  
Fellas in the front  
Let me hear you grunt  
Fellas in the back  
Watch that booty clap  
Ladies in the middle  
Let me hear you sizzle  
Yell  
TECHN9NE is hard as hell
