

## Hunterish

Tech N9ne

You're one hunder-ed, we so hunter-ish  
You're one hunder-ed, we so hunter-ish

Unga bunga bunga, ingda bing da binga bunga  
It's fun to hunt the cunt to ding the dink to feed my hunger  
I jump on a bitch, pump on a chick, crunch 'n munch on a clit,  
dunk on a dick  
Somethin' sunk in it quick, krumpin' a bit, humpin' the nina, b  
ring the thunder  
I be the king of kung, up in your spleen, the weiners on you  
I -- eat it up like sufamunda, cheese between lasagna  
I -- skeet it up, 'n giddy up, fiend for cream, va-geena tongue  
Then feed the need, we lump for hunters, easily we done you  
The gal sure look like fuck food to me  
Might as well, bitch, I know you suck dudes for free  
I can smell slit, when I'm in lust to a degree  
If it's shellfish, I'm in the dust, you is debris, trick  
If you one hunder-ed, we so hunter-ish  
We come for the wonder chicks, whose buns are thick and to make  
my lumber spit  
And my whole crew hunt  
Want some of that new chum  
Kerri Hilson, sure looks good  
Tastes good too, punk

You're one hunder-ed, we so hunter-ish  
I'm placed in hands and they notice I'm approachin, scopin out  
where the cushion at  
Snatch her out this habitat, soon as I stab my hook in that  
Can't stop lickin my chops, watchin her walk, n now I'm look at  
Them pair of apple Bottoms n that bomb donka that she put in th  
at  
I got bottle full'a captain n jack, n I'm ready to get it crack  
in  
Baby now tell me whut'chu wanna do  
I got a package full a magnums thats back at the pad if you wan  
na attack  
Then I'mma be strapped up for you  
And all ya home girls, baby bring the whole hurd!  
Its open season for pillow squeezin, n leavin toes curled  
Inebriated, slightly faded, time to get it poppin  
Pull u p the bus, open the doors, n all the bunnies hop in  
Show me her naval ring, said theres one more underneath it  
Tech I don't believe, Kalli whut you think? (LET ME SEE IT!)  
The newest member of the Drill Team  
I'm on the prowl  
Just a wiff'a the feminin scent I'm equipin for infinite pimpin,  
its goin down

See baby girl, I'll beat it up, and put it in a headlock  
When I snap n go primevil on that ass, makin the bed rock

You're one hunder-ed, we so hunter-ish
