

Hunterish

Tech N9ne

You're one hunder-ed, we so hunter-ish
You're one hunder-ed, we so hunter-ish

Unga bunga bunga, ingda bing da binga bunga
It's fun to hunt the cunt to ding the dink to feed my hunger
I jump on a bitch, pump on a chick, crunch 'n munch on a clit,
dunk on a dick
Somethin' sunk in it quick, krumpin' a bit, humpin' the nina, b
ring the thunder
I be the king of kung, up in your spleen, the weiners on you
I -- eat it up like sufamunda, cheese between lasagna
I -- skeet it up, 'n giddy up, fiend for cream, va-geena tongue
Then feed the need, we lump for hunters, easily we done you
The gal sure look like fuck food to me
Might as well, bitch, I know you suck dudes for free
I can smell slit, when I'm in lust to a degree
If it's shellfish, I'm in the dust, you is debris, trick
If you one hunder-ed, we so hunter-ish
We come for the wonder chicks, whose buns are thick and to make
my lumber spit
And my whole crew hunt
Want some of that new chum
Kerri Hilson, sure looks good
Tastes good too, punk

You're one hunder-ed, we so hunter-ish
I'm placed in hands and they notice I'm approachin, scopin out
where the cushion at
Snatch her out this habitat, soon as I stab my hook in that
Can't stop lickin my chops, watchin her walk, n now I'm look at
Them pair of apple Bottoms n that bomb donka that she put in th
at
I got bottle full'a captain n jack, n I'm ready to get it crack
in
Baby now tell me whut'chu wanna do
I got a package full a magnums thats back at the pad if you wan
na attack
Then I'mma be strapped up for you
And all ya home girls, baby bring the whole hurd!
Its open season for pillow squeezin, n leavin toes curled
Inebriated, slightly faded, time to get it poppin
Pull u p the bus, open the doors, n all the bunnies hop in
Show me her naval ring, said theres one more underneath it
Tech I don't believe, Kalli whut you think? (LET ME SEE IT!)
The newest member of the Drill Team
I'm on the prowl
Just a wiff'a the feminin scent I'm equipin for infinite pimpin,
its goin down

See baby girl, I'll beat it up, and put it in a headlock
When I snap n go primevil on that ass, makin the bed rock

You're one hunder-ed, we so hunter-ish
