## Hunterish

**Tech N9ne** 

You're one hunder-ed, we so hunter-ish You're one hunder-ed, we so hunter-ish Unga bunga bunga, ingda bing da binga bunga It's fun to hunt the cunt to ding the dink to feed my hunger I jump on a bitch, pump on a chick, crunch 'n munch on a clit, dunk on a dick Somethin' sunk in it quick, krumpin' a bit, humpin' the nina, b ring the thunder I be the king of kung, up in your spleen, the weiners on you I -- eat it up like sufamunda, cheese between lasagna I -- skeet it up, 'n giddy up, fiend for cream, va-geena tongue Then feed the need, we lump for hunters, easily we done you The gal sure look like fuck food to me Might as well, bitch, I know you suck dudes for free I can smell slit, when I'm in lust to a degree If it's shellfish, I'm in the dust, you is debris, trick If you one hunder-ed, we so hunter-ish We come for the wonder chicks, whose buns are thick and to make my lumber spit And my whole crew hunt Want some of that new chum Kerri Hilson, sure looks good Tastes good too, punk You're one hunder-ed, we so hunter-ish I'm placed in hands and they notice I'm approachin, scopin out where the cushion at Snatch her out this habitat, soon as I stab my hook in that Can't stop lickin my chops, watchin her walk, n now I'm look at Them pair of apple Bottoms n that bomb donka that she put in th at I got bottle full'a captain n jack, n I'm ready to get it crack in Baby now tell me whut'chu wanna do I got a package full a magnums thats back at the pad if you wan na attack Then I'mma be strapped up for you And all ya home girls, baby bring the whole hurd! Its open season for pillow squeezin, n leavin toes curled Inebriated, slightly faded, time to get it poppin Pull u p the bus, open the doors, n all the bunnies hop in Show me her naval ring, said theres one more underneath it Tech I don't believe, Kalli whut you think? (LET ME SEE IT!) The newest member of the Drill Team I'm on the prowl Just a wiff'a the feminin scent I'm equpin for infinite pimpin, its goin down

See baby girl, I'll beat it up, and put it in a headlock When I snap n go primevil on that ass, makin the bed rock

You're one hunder-ed, we so hunter-ish
