Tech N9ne

AYYYYYYY!

One, two, three, spit it

Together we are, a powerful force

As one mind, body, and soul

Let no evil enter, nor attempt to reduce us

Because of the beliefs we hold

And with this love, combined with our strength

We ward off, pain and stress (READY!) [guns cock]

Technician I am - wholeheartedly (AIM!)

In life, and in death (FIRE!) [rapid automatic fire]
